## Spring/Summer 2020

### Chapter News

Your Indiana Chapter Board has been actively involved on a National Level, has been discussing programming throughout the year, and is looking at ways to keep the membership active.

We understand that many of you are involved with other organizations, but your membership in APWA is an untapped resource. Having a direct line on a National Level with other chapters and chapter members in APWA will help you and your organization.

One thing that the Indiana Board has been working on is a member survey. This survey will be asking questions which will help us work on our programming ideas and also networking options for the membership. There is potentially a large untapped resource of knowledge out there we may be missing, and the Chapter is willing to help facilitate through workshops, write up and notifications.

### Chapter Board Members:

The Chapter Board Members live and work around the state. We have Board member representation designated in INDOT Districts, and right now we have 2 districts without Board Members.

***Greenfield District***

***Seymour District***

These 2 district area board members remain vacant, however, if you are interested in becoming a part of the Chapter Board, please reach out to Eric Pethtel ([pethtele@fishers.in.us](mailto:pethtele@fishers.in.us)), or Kyle Winling ([Kyle.Winling@cityoffortwayne.org](mailto:Kyle.Winling@cityoffortwayne.org)).

This could be a great way to be involved in APWA!

**PUBLIC WORKS**

**PUBLIC WORKS—FIRST RESPONDER**

Public works agencies can obtain free access to the symbol's artwork, as well as APWA's simple guidelines for use of the symbol on the web or in all print formats, at [www.apwa.net/firstresponder](http://www.apwa.net/firstresponder). Items displaying the symbol also may be purchased in the APWA Store at [www.apwa.net/store](http://www.apwa.net/store).

## Spring/Summer 2020

### 2020 David Sherman Collegiate Golf Fundraiser

— NOTICE —

As the state of Indiana has provided guidelines for communities during the COVID-19 Pandemic, and the situation continues to evolve requiring adjustments to our personal and professional lives, the determination has been made by the Chapter Committee to postpone the 2020 David Sherman Classic. Even though we were looking forward to celebrating the successes of our Chapter Award Winners, poking fun at our colleagues on the golf course, and most importantly raising funds for the college scholarship, the health and safety of our community is most important.

The Chapter intends to re-schedule this event and will continue to work with members and companies on providing additional events in the future. We hope you all stay safe and healthy during the next few weeks.

### 2020 INDIANA APWA SCHOLARSHIP

Don't forget that the 2020 Scholarship is still open to 2020 High School Seniors who are attending an accredited university whose major course of study encompasses the fields of Engineering, Public Works Administration, Public Relations, Finance or other programs related to the field of Public Works. Information and applications can be found online! [Indiana.apwa.net](http://Indiana.apwa.net)

Don't forget that you have resources available online at APWA.NET. For some, things are slower, for some it is business as usual. However, chances are you have been spending more time in front of a computer or device than you have in the past. Do some clicking and reading.

This may be the time to consider certification or accreditation?

This may be the time to contemplate your professional certifications such as CFP, CPII, CSM. APWA is also offering the new Certified Public Works Professional Certifications for Supervisors and Managers.
