

**2025 APWA Indiana Chapter –
Eric B. Pethtel Memorial Collegiate Scholarship Golf Outing**

The Indiana Chapter of the American Public Works Association (APWA) is hosting the “2025 APWA Indiana Chapter, Eric B. Pethtel Memorial Collegiate Scholarship Golf Fundraiser.”

This annual event will be held May 15, 2025 at Eagle Creek Golf Course in Indianapolis, IN.

APWA is a 501c3 organization serving the Public Works Industry since 1937 and has a membership throughout the United States and Canada of over 30,000 professionals. APWA works with all aspects of public works, including streets, sidewalks, traffic signals, solid waste, storm, water and sewer utilities, parks, buildings & grounds, flood control, emergency management, city infrastructure and so on. APWA also serves to help advocate public works to congress, educate members on the latest technologies and practices, and create networking opportunities for professionals in this field.

The Indiana Chapter of the APWA annually hosts the Collegiate Scholarship Golf Outing to help raise money for an incoming college freshman in Indiana who is entering into a related Public Works field of study. This is a \$4,000 scholarship providing \$1,000/year for 4 years if the student maintains their status and degree in a Public Works field.

This golf fundraiser is the Indiana Chapters most significant fundraising opportunity for the scholarship. The Chapter would appreciate any assistance and consideration in seeing the continued success of this annual event by playing or by financial support of this scholarship.

The Chapter Committee appreciates your consideration for a donation to go towards this Scholarship Fundraiser.
