

About Our Scholarship Golf Outing

The American Public Works Association (APWA), a 501(c)(3) organization founded in 1937, serves over 30,000 public works professionals across the United States and Canada. APWA supports vital infrastructure services such as streets, utilities, parks, and emergency management, and more while advocating for the industry, providing education, and fostering professional connections.

The Indiana Chapter hosts an annual Collegiate Scholarship Golf Outing to support an incoming Indiana college freshman pursuing a public works-related degree. The scholarship awards \$4,000 (\$1,000 per year for up to four years).

This outing is the Chapter's primary fundraiser, and your support is essential to its success. We invite you to participate or contribute as a sponsor or through donation to help invest in the future of public works.

Thank you for your consideration and support of this important scholarship program.

Robert Ooms,

Robert Ooms

Conference & Events Chair

IN Chapter of APWA
